

Junior Rodeo Cowboy Association

Dear JRCA contestants and families,

As the rapidly approaching 2020 JRCA season is upon us I want you to know that your board of directors have been working diligently once again, spending countless hours to continue the success of this great organization. We made several changes last year that proved to be well received by the membership and helped the association to continue as a successful organization. Although it was a tough decision to cut out the rough stock events last year it proved to be beneficial for the organization as a whole. This year we will continue on with the same format and order of events as last year. The board also made the decision to move the May rodeo back to Canadian this year as the community has made a sponsorship commitment that the JRCA is very appreciative of! So be sure to thank the local Canadian businesses while we are in town. We will be having team roping jackpot fundraisers on Saturday evenings again this year, so spread the word and come rope! The board also voted to make a couple of rule changes that you can see below.

1. Calf Dummy roping

1. Contestant will stand on a box that measures 2' x 2' and 20" tall to be placed 36" behind the rear of the dummy.
2. The contestant will have three runs with one loop per run.
3. Time will begin when contestant nods, contestant cannot swing loop before the nod. Time will stop when contestant pulls his/her slack.
4. The three times will be averaged and a miss will be 60 seconds.
5. If roper touches the ground during the run it will be considered a miss and will be counted as 60 seconds.
6. Calf's head must look through the loop but may catch entire dummy.
7. The hat rule will not be enforced during the dummy-rope contest. Each contestant may choose whether or not he/she wears a cowboy hat while performing in this event.

2. Point System Rule 15

A minimum of 5 contestants must qualify and enter the finals in any individual event or all-around for a saddle to be awarded in that event or all-around group. If less than 5 qualify and enter then a champion buckle will be awarded in place of a saddle. In the 4-5 boys and 4-5 girls age division, event saddles will not be awarded. Only an all around saddle will be awarded in the 4-5 age divisions.

Last season turned out great and I would like to thank the membership and our board for all the hard work along with all of our great sponsors for the support. Last year we were able to payout almost \$18,000.00 just at the finals and that could not be accomplished without our great sponsors. We appreciate every sponsor dollar raised and couldn't continue our great association without them so please continue to support the businesses that support us! Also, please feel free to reach out to any sponsor you feel would be willing to support the association. If you have any questions regarding sponsors, please reach out to any of the board members.

THANK YOU AND GOOD LUCK!

Kevin McCreary
