

Junior Rodeo Cowboy Association

Dear JRCA contestants and families,

As the rapidly approaching 2019 JRCA season is upon us I want you to know that your board of directors have been working diligently, spending countless hours to continue the success of this great organization. We have met on numerous occasions to discuss and make decisions in order to keep this association physically and financially successful. These meetings have led us to make some tough decisions and with that some great new events that I believe will be the best for the upcoming JRCA season. So please see the website and your mail outs as there have been several changes.

1. *Order of Events*

As it is a difficult feat to keep small roping calves healthy, especially the caliber of calves to fit the younger age groups, the board has decided to change the order of events. Having the calf roping events first, during the cool part of the day, should make it possible to provide better roping stock for all age groups.

2. *Removal of Rough Stock*

As it was a difficult decision, due to the lack of entries and lack of available stock contractors, the board has decided to not have rough stock events this season, but with that we have added new events.

3. *New Events*

-Dummy Roping for the 4-5 Age Group

-Team Roping for the 11 and Under Age Group (with an adult)

-Saturday Night Team Roping Jackpots!

4. *Improved Payouts at Season Rodeos and Added Money at the Finals!*

5. *New Locations*

-All but One Location Is a Covered or Indoor Arena

Last season turned out great and I would like to thank the membership and our board for all the hard work along with all of our great sponsors for the support. We appreciate every sponsor dollar raised and couldn't continue our great association without them so please continue to support the businesses that support us! Also, please feel free to reach out to any sponsor you feel would be willing to support the association. If you have any questions regarding sponsors, please reach out to any of the board members.

THANK YOU AND GOOD LUCK!

KEVIN MCCREARY
